

To,
The Human Resources Manager,

Attn: Human Resources Manager

Dear Sir/Madam,

Re: Application for Sr. Web Developer

I am interested in working in an organization that recognizes achievement and rewards performance. My educational background and work experience will enable me to perform well as a member of your team.

My diligence, keenness to learn, ability to work in groups and adapt to different environments are my strengths. Furthermore, I have extensive exposure to computers and experience with various software. My education has provided me with necessary background to function competitively in the market. Through my employment experience I have demonstrated my professionalism, reliability and initiative. Given an opportunity to work for your organization, I will strive to be worthy of the confidence reposed in me.

I have enclosed a copy of my curriculum vitae (CV), which will allow you to review my background and qualifications. I thank you for your time and look forward to hearing from you. Please feel free to call me on cell mentioned above if I can provide you with any additional information.

Again thank you for your consideration.

Yours Sincerely,

Muhammad Shafqat Khan
